

Amplified TV antenna for balcony/boat VHF and UHF 15dB with LTE filter

Blister 17 x 35 x 13 cm
Packaging 20 pcs.

TI INFORMIAMO !!!

la nuova tecnologia 4G/LTE adottata nella telefonia mobile di 4° generazione occupa anche delle frequenze originariamente utilizzate per il digitale terrestre. Quest'antenna con speciale filtro LTE evita le interferenze che ne derivano.

WE INFORM YOU !!!

in the sector of mobile phones, the new 4G/LTE technology used also some frequencies that originally belonged to the DTT decoder. This antenna equipped with a special LTE filter avoids the resulting interferences.
